

Transformation Architectures

Theodosis Theodosiou
Business Development Manager

What is Digital Transformation?

A journey, not a master move!

- Engage your customers
- Empowering your Employees
- Optimizing your operations
- Transform your products

Local Data Center

- **Cloud Storage & Cloud Backup solutions**
- **Private Cloud (Virtual Data Center)**
- **Colocation Services (BYOD)**
 - ✓ Remote Hands & Eyes
- **Bare Metal / Dedicated Servers (OPEX)**
- **Managed Services**
 - ✓ Consulting, design, Implantation, Support
- **Business Continuity Services**
 - ✓ Hot Seats / Cold Seats

Decision Criteria

- Certifications
- 24/7/365 Support, Real people, Real Time
- Data Center, Cloud & Managed Services
- SLA for provided services
- Team of highly qualified professionals
- Multiple ISPs, Multiple Paths
- Highest Standards and Certifications
- Packaged and Custom Solutions

YOUR CLOUD. YOUR WAY.
